

To our valued employees, customers, and vendors –

Our prayer is you are safe and healthy during this unprecedented time.

Following our President’s directive and guidelines put forth from the Governor’s Office, Able Label is charged with a special responsibility to maintain our normal work schedule even with the recent “Shelter in Place” order. Our products are vital to the ongoing supply chain.

As a manufacturer and label provider, Able Label falls under a number of the above infrastructure categories including, but not limited to: Healthcare, Food, Chemical and Distribution. We take this responsibility very seriously and are taking steps to provide a safe, clean and spaced environment for our employees, ensure our customers receive the products they need in a timely manner, and work with our sourcing companies to maintain an adequate amount of materials.

May you, your families, friends, and coworkers enjoy good health as we go through this challenging time. God Bless each of you and remember we’re all in this together. Stay safe and keep practicing social distancing and hand washing.

Art Coffey
President
